

CCS Service Facilitator I/II

Child/Adolescent Team

Jefferson County's Comprehensive Community Services (CCS) program within the Human Services department provides a flexible array of individualized community-based psycho-social rehabilitation services for consumers with mental health or substance abuse issues across their lifespan. The goal of the program is to assist the consumer in increasing resilience, reducing the impact that their trauma history, mental health, and/or substance abuse disorder plays in their life, and assisting in their journey of recovery.

The CCS team seeks a passionate and consumer focused individual to take on the Comprehensive Community Services (CCS) Service Facilitator role. This position provides psycho-social rehabilitative services to consumers of all ages diagnosed with Mental Health and/or substance use disorders in order to reduce the negative impact of these disorders in their lives.

To be successful in this position, you will be focusing on the below responsibilities:

- Complete mental health assessments, including suicidal and homicide assessments
- Develop recovery treatment plans for improving or eliminating the effects of mental health and/or substance use disorders
- Participate in team developed Recovery Planning Services
- Facilitate and provide psycho-social rehabilitative services
- Maintain knowledge and ensure compliance with applicable statutes, administrative codes, and agency policies and procedures
- Variety of other important tasks

Starting wage: \$24.66 - \$28.53/hour; based on qualifications; 40 hours/week

Benefits: Eligible for our excellent benefit package with details at the below link
